

INFLUENTIAL BLOGGING

Checklist

Checklist

It's recommended that you print this checklist out so you can work side-by-side with the main ebook. The idea of this checklist is to mark off 1-by-1 what you've learned and had an understanding about.

Once you have had a full understanding of each chapter, topics, and subject throughout the main ebook, simply check it off. A great way to keep organized and not backtracking what you already have learned.
